Summary

- We collect attendee data only **to enable event registration and check-in.**
 - Data is **encrypted at rest and in transit.**
 - We do **not** sell or share data with advertisers.
 - Event organizers may access attendee lists they upload or manage.
 - You can request deletion of your data anytime.
-

1. WHAT INFORMATION DO WE COLLECT?

We collect personal information only when it is **provided by the event organizer** or **entered during event registration.**

This may include:

- Name
- Email address
- Phone number
- Organization/Company (optional)
- Event attendance status (checked-in / not checked-in)

No sensitive financial, Aadhaar, PAN, password, or biometric data is collected.

2. HOW DO WE PROCESS YOUR INFORMATION?

We process your information to:

- Register attendees for events

- Sync attendee lists securely across authorized devices used at the event venue
- Perform check-in / access control operations
- Provide support and ensure system security
- Maintain logs to prevent misuse or fraud

Data Synchronization

The app may **sync attendee data** with our secure servers to ensure that event staff can check-in attendees from multiple devices in real time.

Data Encryption

All stored attendee data is **encrypted at rest**, and data transfers are **encrypted in transit** using industry-standard encryption methods.

We **do not sell** your personal data and do **not use it for advertising**.

3. WHEN AND WITH WHOM DO WE SHARE INFORMATION?

We only share data with:

- The **event organizer** who is authorized to access the attendee list for their event.

We **do not** share data with third-party advertisers, marketing platforms, or unrelated organizations.

4. HOW LONG DO WE KEEP YOUR INFORMATION?

We keep attendee data only **as long as required for event operations** or as may be legally necessary.

Organizers may delete the event data after the event is completed. Data is completely in their control.

5. HOW DO WE KEEP YOUR INFORMATION SAFE?

We use:

- **Encrypted storage (data at rest)**
- **Encrypted transfer protocols (data in transit)**
- Controlled access authentication mechanisms

Despite these safeguards, no system is 100% secure. Use of the service is at your discretion.

6. DO WE COLLECT INFORMATION FROM MINORS?

We do not knowingly collect information from children under 18.

7. YOUR PRIVACY RIGHTS

You may request to:

- Access your data
- Correct or update your data
- Request permanent deletion of your data
